OFFER EXPIRES: 12/31/2025

Atlantic Foot & Ankle Specialists now offers **medical pedicures**, a medical spa treatment for feet. We offer several different customized foot treatments all of which are performed in a safe and sterile environment and the highest levels of hygiene are maintained with sterilized and disposable instruments. Our Medical Pedicure menu includes:

🌸 **Waterless Pedi** 🌸 **Just the Basics** 🌸 **Classic Aromatherapy** 🌸 **Polish Change**

All pedicures include cleansing of the cuticles, clipping, shaping, buffing, and polishing of the nails.

Dr. Robitaille supervises the staff and oversees the treatments. As part of her holistic approach to foot care, she is available to consult with a client on conditions that are identified on the feet and toenails during the treatment.

Medical Pedicures combine foot pampering with professional maintenance of feet which will keep foot problems from developing or progressing. To make an appointment call us at **912-988-3323** or make an appointment [online](#).

3 Common Foot Issues in Children

Children are constantly growing and developing, and their feet are no exception! However, many parents overlook early foot problems, thinking kids will "grow out of it." In reality, untreated foot issues in childhood can lead to long-term discomfort and mobility challenges.

Why Are My Feet Swelling in the Heat?

Summertime means longer days and fun in the sun, but with the rise in temperatures often comes an uncomfortable side effect: swollen feet and ankles. While this may seem like a minor inconvenience, persistent or painful swelling shouldn't be ignored.
